Work Experience

INTERN, HARVESTWORKS NEW YORK, NEW YORK **MAY 2025 - PRESENT**

- Collaborate closely with contemporary artists to support the technical execution and maintenance of the Governor's Island Time-Based Arts exhibition.
- Install, configure, and troubleshoot multi-channel audio/video systems and interactive hardware installations based on artistic requirements.
- Run sound checks, manage signal flows, and engineer live audio setups for diverse outdoor and indoor live performances.

STUDENT WORKER, TISCH PRODUCTION CENTER, NEW YORK UNIVERSITY **AUGUST 2023 - MAY 2025**

- Managed and tracked an extensive inventory of film and audio equipment using Excel, ensuring seamless rental operations and access for hundreds of students and faculty.
- Performed technical maintenance and hardware troubleshooting on production devices, including soldering cables and repairing headphone sets under tight deadlines.
- Coordinated load-in and load-out logistics for student productions, maintaining high standards of organization and space efficiency.

VENUE ASSISTANT, LIVE MUSIC VENUE GUANGZHOU, CHINA **JUNE 2024 - AUGUST 2024**

- Managed on-site technical production and stage logistics for live music performances in a fast-paced environment.
- Provided direct hospitality and technical support to international musicians, resolving event-day issues smoothly using multi-lingual communication.

STUDIO TECH, 8TH FLOOR EDUC BUILDING, NEW YORK UNIVERSITY **JANUARY 2023 - MAY 2023**

- Maintained professional recording studios, multimedia classrooms, and AV infrastructure to ensure optimal daily operations.
- Delivered real-time technical support and AV/IT solutions for faculty and students during hybrid classes, live streams, and recording sessions.
- Drafted clear, visual workflow and signal-flow diagrams to streamline system access and troubleshooting for studio users.
